Organizing Committee of Boston College Analytics & Industry Symposium, 2022-present (in charge of student posters)
Organizing Committee of Boston College Fall into BC, 2023-present (in charge of student presentations)
Eagle Exchange Mentor, Boston College, 2022-present
President of Economics Graduate Students Association, Northeastern University, 2020-2022
CATLR Graduate Student Liason for Economics, 2019-2020
Peer Money Mentor, Boston College, 2016
Student Ambassador of School of Economics & Finance, University of Hong Kong, 2011-14

Service to the Community

Board of Directors, Secretary and Advisor to The [Benevolent Bandwidth](#) Foundation (b^2)

Professional Memberships

American Economic Association (AEA); National Association of Business Economists (NABE); Association for Public Policy Analysis and Management (APPAM); Southern Economic Association (SEA)

Industry Experience

Commercialization & Deployment Team Analyst

Shell TechWorks, Cambridge, MA, USA

May 2016 - July 2016

Researched Asset Retirement Obligations (ARO) liabilities of publicly traded oil and gas companies to estimate upstream well abandonment costs, and built models to quantify the financial impact of using different well abandonment technologies. Also, conducted competitor analysis and market due diligence in Non-Intrusive Load Management (NILM) sector for a licensing deal

Business Analyst

Sadhbhavana Medical Centre, Dehradun, UK, India

February 2015 - July 2015

Reduced average patient servicing time of 2.5 hours by 67% by establishing a real-time appointment management system

Business Analyst

Tai O Cultural & Ecological Integrated Resources Centre, Hong Kong

June 2014 - July 2014

Created a business dashboard for management using financial ratios and software solutions for the implementation of more refined performance benchmarking processes
